

## CNE: Worker's Comp Coverage

The New York Supreme Court, Appellate Division, has ruled that a hospital nurse practitioner is covered by worker's compensation for injuries from a motor vehicle accident while traveling to a continuing education conference. The hospital required the nurse practitioner to get a certain number of hours to keep his position, his preceptor had encouraged him to attend this conference and he was paid by the hospital for conference days for continuing education attendance. **Murphy v. Mt. Sinai Hosp.**, \_\_ N.Y.S.2d \_\_, 2007 WL 414277 (N.Y. App., February 8, 2007).
