

H1N1 Blood Donor Screening: New Recommendations From CDC.

On November 19, 2009 the US Centers for Disease Control and Prevention announced the availability of *Recommendations for the Assessment of Blood Donor Suitability, Blood Product Safety and Preservation of the Blood Supply in Response to Pandemic (H1N1) 2009 Virus*.

The CDC emphasizes that the document is being distributed only for the purpose of soliciting comments and it is not mandatory at this time.

The 10-page, non-copyrighted document is available from our website at www.nursinglaw.com/H1N1.pdf.
